To Whom It May Concern

Ms. Aldona Sankowska was employed at The Diplomat Hotel Bahrain from January 8th, 2000 through March 31st, 2000 as a Pianist at our Lobby Lounge.

During this time, she displayed professionalism while enlivening the senses of our guests.

Aldona has enchanted the most discriminating tastes of our guests with her broad repertoire of Classical and Contemporary Piano.

I wish Aldona success and I recommend her as an excellent Pianist.

Regards,

Sylvain Boussard
