

## EYEWITNESS IN AL AIN

## Cool music to help you unwind

As the temperature soars those stalwarts who are still in Al Ain are seeking out the coolest places to go. One of the most elegant and relaxing of these is the beautiful cool green atrium of the Al Ain Hilton Hotel. If you visit the Palm Court Cafe situated in the atrium, between 6 pm and 9.30 pm any time until September 15 you can listen to the music of Aldona Sunkawska who is the Hilton's current resident pianist. Born in Poland, Aldona had a musical upbringing and trained as a classical pianist.

Belying her very youthful looks she has been playing the piano for more than 25 years, and with a wide classical and modern repertoire she can adapt her music to suit any atmosphere and mood. She previously played at the Hyatt Regency in Dubai but the superb acoustics of the Hilton atrium make it a particularly suitable place for her to play, and for her listeners to appreciate the music.

If you are tired after a hot and stressful day, the atmosphere Aldona creates with her music is the perfect formula to help you unwind.
